

Valued Business Owner-

At the Rendezvous City Beef Round-up we've raised awareness for ranchers in the Wyoming area for the last four years. Right now, we are aiming to raise funds to help support this amazing annual event.

On Saturday, August 24, 2024, we are planning to host another epic Round-up. The Beef Round-up is designed to bring beef producers and consumers together to celebrate Wyoming beef, to educate the public on the benefits and sustainability of beef production, and to showcase the exceptional flavor of Wyoming beef. A ticketed VIP steak tasting dinner will ultimately crown a producer with "Best Beef in Wyoming" and an open division featuring producers from across the U.S. will determine a "Best Beef in the West" winner.

We host this one-of-a-kind event to help build awareness and access for consumers to local beef and to create new markets for producers. Not only do we offer educational classes to consumers in the subjects of economic impact and environmental benefits, but we will also teach preparation and pairing. We also provide education to producers on the newest industry practices and technology to improve their direct-to-consumer beef businesses.

Another very important goal is to raise enough money to sustain a scholarship program for the meat science and agricultural programs offered through the college, as well as expanding to programs across the state, eventually. This is something that is in the works and we hope to have it available in the foreseeable future.

However, we think our efforts would go even farther with You as a sponsor. In this role, your business would provide your chosen donation amount and in turn we would promote your company as an official event sponsor and much more!

We are also seeking tangible donations for our silent auction, which is held during the VIP Dinner. If this is something you are interested in donating to, please feel free to let us know as well. All support and participation are welcome.

With You by our side at this upcoming event, we are sure to achieve this season's fundraising goal and help serve our beloved ranchers well.

If you are interested in being an event sponsor, would like more information regarding the event, or would like to know more about how you can get involved with the Rendezvous City Beef Round-up please do not hesitate to let us know. Our contact information is listed below. We can't wait to hear from you!
